**RE: COMMENT - Tacoma Power's Narrows Tidal Energy Project under P-12612**

Dear Secretary,

Thank you for the opportunity to comment on the *Notice of application accepted for filing and soliciting motions to intervene, protests, and comments regarding Tacoma Power's Narrows Tidal Energy Project under P-12612.*

People For Puget Sound is a nonprofit, citizens' organization whose mission is to protect and restore Puget Sound and the Northwest Straits, including a specific goal to protect and restore the 2,000 miles of Puget Sound shoreline by 2015.

Please list us as a party of record on this permit.

We are concerned about the health of the wildlife in Puget Sound and the impact of this project on those species, especially the Southern Resident Killer Whale.

If you have any questions, please call me at (206) 382-7007.

Sincerely,

Kathy Fletcher  
Executive Director
